CASSGRAM
Audio Report, Archives and more at www.cassgram.com
Today: mostly sunny, wind west 5 to 15 mph, high 59. Tonight:
mostly cloudy, low 33. Saturday: increasing clouds, high 53.
Sunday: morning frost, sunny, high 62. Yesterday's high:
57/Plattsmouth airport. This morning's low: 37. Sunset today is at
8:09pm. Sunrise Sunday is at 6:36am.

NO IDENTIFICATION OR CAUSE YET — The deadly house fire that
occurred over the weekend at Horseshoe Lake remains under
investigation. The body found in the home has not been identified.
Authorities told Cassgram yesterday evidence has been sent to a state
pathologist for positive identification. Investigators with the state fire
marshal's office also continue to work to determine the cause.
Ashland Fire was paged to a fully engulfed structure fire on Fedde
Lane Saturday morning just before 3 o'clock. (see Monday's Cassgram)

THE MAY 14 PRIMARY ELECTION -- For the first time, voters will need
to bring an ID in order to cast a ballot.
Some voters have requested an early ballot. Those voters were the
first to provide ID by writing their driver's license or state ID number
on the application. Thousands more will have to bring their ID in
person.
Under the new law, you'll need to show poll workers your ID before
you cast your ballot in Nebraska. The constitutional amendment was
approved by voters in 2022. The Nebraska Unicameral then crafted the
law.

The election office in Cass County is working to inform voters on the
law prior to their voting. Look for flyer attachments to Cassgram on
Monday, April 22nd and Wednesday, May 1st.
Early in-person voting for the primary election is now underway at
Nebraska county election offices.

ANOTHER VOLUNTEER FIRE AND RESCUE DEPARTMENT in Cass
County is proudly reporting on its remanufactured ambulance –
Greenwood Volunteer Fire and Rescue recently brought home its
ambulance (310) after work at Arrow Ambulances in Rock Rapids,
Iowa.

The department thanks Village of Greenwood board members, the
Greenwood community, and all its supporters. In the GVFRD social
media post "We are very proud to say that with this remount, there is
no extra expense for the taxpayers because it was entirely funded by
the calls that we have ran and transports made, fundraisers, generous
donations, and a grant received from the State of Nebraska."

The department says Greenwood can be "rest assured that we still
have the same dedicated members that help any time, day, or night"
and added that anyone interested in joining can contact a current
member.
Elmwood Volunteer Fire and Rescue Department parked a remounted
ambulance in its fire station earlier this year.

SPRING CLEAN UP taking place in a couple of Cass County
communities this weekend –

-Union is holding a cleanup and recycling event this Saturday and
Sunday. Drop off is from 9am until 5pm behind the village office.
There will be a trailer for general recyclables such as plastic,
aluminum, paper and cardboard. Recycling is also available for metal
and electronics. Donations will be accepted to help defray the cost of
the recycling fee. The event is sponsored by Union United Inc., and
the Village of Union.

-Eagle is conducting a litter clean up tomorrow from 10:30am until
noon at the city park. All are welcome to help, no matter how long you
can stay. All litter supplies will be provided. Participants are
encouraged to bring water in a reusable water bottle.
