TRAFFIC COMPLAINT LEADS TO ARREST - Law enforcement was made aware of a white shuttle bus traveling at a high rate of speed and swerving on southbound Highway 75 near Avenue B yesterday morning at 5:43am. A brief period later the vehicle went off the road near East Wiles Road just south of Plattsmouth. The driver attempted to flee the scene on foot but was apprehended by deputies. Plattsmouth EMS was requested to evaluate the driver. It was discovered that the shuttle bus belonging to Hilton Hotels had been reported stolen about 20 minutes prior to the traffic complaint was received. The driver, a 24-year-old man from Omaha, was transported to the Bellevue Medical Center. Later in the morning he was brought to the Cass County Jail where he is booked for receiving stolen property, and DUI drugs.

LOCAL DISPATCHER EARNS STATE AWARD - Cass County 911 operator Cindy Burke was recently named the Nebraska Emergency Services Communications Association 2023 dispatcher of the year. The award presentation took place during the state NESCA conference and banquet. Burke was nominated due to her actions during a 911 service outage that affected a large portion of southeast Nebraska. In his nomination letter, chief deputy Matt Watson stated Burke "played a crucial role in the safety of Nebraska citizens and first responders during this challenging time." Her decision to contact the public service commission while the events were unfolding ensured they were promptly informed about the situation, even as she took charge of navigating the uncertain safety situations in Cass County. Watson added "her timely efforts went above and beyond her expected duties and provided the state with the opportunity to pre-emptively notify other potentially affected agencies." Burke told Cassgram she was very surprised to have received the award and felt like she was just doing her job.

DISTRACTED DRIVING ENFORCEMENT - The Cass County Sheriff's Office reports four deputies were on the road for over 20 hours participating in the "U Drive, U Text, U Pay" mobilization in early April. The increased enforcement resulted in 30 total contacts and 15 citations. "Join us in safeguarding our community's safety by eliminating distractions like texting while driving," says the sheriff's office.

"**RADIUM GIRLS**" opens at The Loft Theatre at Manley on Friday (5/3) - The story takes you back to 1926 when radium was a miracle cure and luminous watches were all the rage—until the girls who painted these watches began to fall mysteriously ill. "Experience the wry, unflinching, tale of the American obsession with health, wealth, and the commercialization of science" in the play written by D.W. Gregory. lofte.org/tickets, 402-234-2553
