**SIREN TESTING ANNOUNCEMENT** -- Plattsmouth police and fire officials  
advise there will be siren testing throughout the day on Friday (5/3). The  
Plattsmouth civil defense and weather sirens will sound. "Just like last time,  
we will have members at different siren sites to record any issues. As a  
reminder, these sirens are meant for warning people that are outside when  
issues arise in the city of Plattsmouth. Weather radios, smart phones and  
other media are the primary sources for warning people inside their houses."  
On a special test announcement this past weekend, the city announcement  
said the sirens were tested on April 6th. The old yellow sirens are 50+ years  
old and parts are no longer available. In 2000, three new sirens were  
installed at North 7th and Ave G, north side of the high school, and on  
Meadow Drive at the top of the hill east of Rhylander Park. These three  
sirens, based off specifications, cover the entire city. The newer sirens are  
white in color.

**STRANDED BOAT** — Plattsmouth Volunteer Fire Dept. was paged to the area  
of the Missouri River boat dock yesterday shortly before 3pm. The motor of a  
boat had stopped working, causing it to drift downstream. The boat was able  
to safely reach the bank on the Iowa side. Plattsmouth's water rescue unit,  
Trevor Two, was deployed. One of the occupants was brought back across the  
river to his pickup so he could retrieve the boat and other occupants.

**INCORRECTLY PLATED VEHICLE** leads to arrest — A Plattsmouth police officer  
conducted a traffic stop on a white Ford F250 in the Dollar General parking lot  
last night at 7:50pm. Records showed the eight county plate on the vehicle  
was registered to a white Honda Ridgeline. A drug recognition expert from  
the sheriff's office was also called to the scene. A 65-year-old Plattsmouth  
man was arrested on suspicion of DUI drugs.

**NEW VETERANS SERVICE OFFICER** — Aaron Moore has been hired as the  
Cass County Veterans Service Officer. The county board gave unanimous  
approval of the hiring during a recent meeting. Moore is a decorated Navy  
veteran with 23 years of professional service. Moore will begin his duties  
immediately and will receive a base compensation of \$65,000 annually, plus  
benefits.  
Cass County Commissioner John Winkler stated there were ten highly  
qualified applicants for the job which were interviewed over a period of two  
days. "I personally think he will take the VSO position to a new level."  
Chairman of the Veterans Service Committee, John Baroni, added it was a  
hard choice but believes Moore will do a good job.  
Moore pointed out as soon as he retired from active duty, he went to work  
for the VA helping veterans file claims so he knows the inside process of what  
happens after a claim is filed and believes he can do better helping veterans  
face to face, rather than just at a computer.  
Moore replaces Brian Coffman who resigned last month, after serving as VSO  
for seven and a half years.

**NOTICE TO WEEPING WATER RESIDENTS** — Tomorrow is the final day to  
complete and return the "Lead and Copper Water Line Survey." Residents  
that do not return a completed survey by the end of the business day  
tomorrow will have their water shut off until a \$100 reconnection fee is paid,  
and the completed survey is received.  
According to the Weeping Water Deputy Village Clerk, Missy Douglas-  
Bergman, out of approximately 460 surveys that were mailed out about 60  
still need to be returned.

**RECYCLING OPPORTUNITY UTILIZED** - Keep Cass County Beautiful reports  
Saturday's event was one of the largest electronic recycling events to date,  
three large trucks were completely filled. KCCB: "We are happy to offer these  
services to Cass County residents to keep electronics out of landfills and the  
landscape!"  
This event in Weeping Water also collected 15 large bags of clothing and a  
large dumpster of glass. Pollinator seed packets were handed out.
